## SCHEDULE 1 TO THE COMPREHENSIVE DEVELOPMENT ZONE

Shown on the planning scheme map as **CDZ1**.

### DONCASTER HILL COMPREHENSIVE DEVELOPMENT PLAN

#### Land

The land forms part of the Doncaster Hill Activity Centre. The land is identified on Map 1 of this schedule.

#### Purpose

To provide for a vibrant range of mixed uses that support the strategic role of Doncaster Hill Activity Centre.

To increase the residential population within the Doncaster Hill Activity Centre by encouraging high-density mixed use development that primarily comprises residential accommodation.

To provide for high-density residential development on individual sites in conjunction with a diversity of other uses including a mix of retail, commercial, social, community and entertainment uses.

To encourage active uses and pedestrian generating activities to be located at street level, adjoining public urban spaces, boulevards, open space areas and pedestrian linkages.

To provide for a mix of uses and a high level of activity that attracts people, provides a focal point for the community, creates an attractive and safe urban environment, increasing opportunities for social interaction.

To provide for use of land that is consistent with the Doncaster Hill Comprehensive Development Plan, September 2004 (Revised April 2008).

### Use of land

#### Application requirements

An application to use land must be accompanied by the following information, as appropriate:

- The purpose of the use and the types of activities which will be carried out;
- The likely effects, if any, on adjoining land, including noise levels, traffic, the hours of delivery and dispatch of goods and materials, hours of operation and light spill, solar access and glare.

#### Decision guidelines

Before deciding on an application to use land, the responsible authority must consider, as appropriate:

- The Doncaster Hill Comprehensive Development Plan (September 2004 - Revised April 2008);

- The purpose of this schedule;
- Whether the following is achieved:
  - An appropriate mix of uses within the site to complement and support the strategic role of Doncaster Hill Activity Centre as identified in Clause 21.21 of this Scheme;
  - Flexible non-residential floor spaces that can be adapted in the future to a variety of alternative non-residential uses;
  - The contribution made towards the achievement of residential population targets as set out in the Doncaster Hill Comprehensive Development Plan (September 2004 – Revised April 2008) and as envisaged by this scheme.
  - Development that predominantly comprises high density residential accommodation as well as a mix of other active uses on individual sites;
  - A mix of active uses and pedestrian generating activities, particularly at street level, that contribute to a vibrant public realm;
  - The contribution made towards the achievement of employment targets, including commercial and retail floor space forecasts as set out in the Doncaster Hill Comprehensive Development Plan (September 2004 - Revised April 2008).
  - An appropriate height of development (as set out in Schedule 6 to the Design and Development Overlay) in order to accommodate the mix and intensity of uses on individual sites envisaged for the Doncaster Hill Activity Centre by this scheme.
